Dear Prospective Sponsor:

We are writing you concerning a sponsorship opportunity with Renew Cannelton, Inc. Renew Cannelton, Inc. is a 501(c)3 non-profit organization working to facilitate the revitalization of the city of Cannelton, Indiana and the surrounding area by enhancing the attractiveness of the community and by working to preserve historic sites, buildings, objects and antiquities of significance.

Some of our past endeavors include the construction of the Welcome to Historic Cannelton Gateway Sign located at the intersection of State Roads 66 & 237 by the Bob Cummings Lincoln Trail Bridge and purchasing all new commercial Christmas Decorations for State Road 66 and Washington (Main) Street in downtown Cannelton.

This year, we will again be hosting the annual Cannelton Dogwood Festival in April and the annual Cannelton Heritage Festival in October. The support of organizations like yours allow us to provide a variety of family-oriented activities that bring community members together and draws visitors to our historic city.

In addition to hosting these events, we are always on the lookout for grant opportunities that will benefit the revitalization of our historically beautiful city. Most grants require a financial match to qualify so funding is always needed to be eligible for grant application.

We would like to request that your organization consider sponsoring one of our upcoming events or make a general donation that can be used to match funding needed for most grant opportunities.

If your organization would like to participate as a sponsor in any of the following activities, please indicate on the attached Contribution Slip where you would like your donation to be used. Your organization will be listed on all marketing materials as a sponsor. This is a great opportunity to promote your organization and create goodwill within the community. All donations are tax deductible.

Your generosity is greatly appreciated,
