

More Heritage Festival News

We are happy to announce that Jeff Reinhardt of Persimmon Tree Forge and founding member of the Brotherhood of Friendly Hammermen, who has been participating in the Cannelton Heritage Festival from its beginning, will be back this year demonstrating their craftsmanship as well as selling their wares.

Christmas Decorations Update

A special thanks goes out to Bob & Darlene Olberding for their donation to purchase one additional light pole decoration for this year. With this donation, we will have enough decorations to decorate all but seven of the light poles.

In an effort to obtain the funding required to purchase the last seven decorations needed, Renew Cannelton has applied for a Community Good Grant through the Perry County Community Foundation. While we are awaiting their decision on the grant application, we are continuing our fundraising campaign.

Dogwood Plans Delayed

In 2020, Renew Cannelton planned to become a participant in the Perry County's annual Dogwood Festival. However the COVID-19 pandemic forced us to postpone that participation until this year.

Unfortunately, the pandemic was still with us this year so we again decided to postpone our participation until 2022.

Next year we plan to sponsor a Festival Marketplace open to all types of vendors selling all types of merchandise on Saturday, April 22, 2022. We hope you will mark your calendars and plan to be here.

Volunteers Sought

Now that there is a light at the end of the COVID-19 tunnel, Renew Cannelton will be moving forward with our Main Street plans to revitalize Historic Downtown Cannelton. There will be all levels of participation needed.

If you have any time and would like to volunteer, please contact Barbara Beard at bbbeard@renewcannelton.org. or call 812-719-2756.

Donations Always Welcome

Anyone wishing to make a donation to our organization can do so online by going to renewcannelton.org under Donate or by sending a check to Renew Cannelton, Inc., 527 St. Louis Avenue, Cannelton, IN.
