2. Increase awareness of the social and economic value of historic preservation.
3. Re-establish the Cannelton Historic Preservation Commission (See Chapter 1.11 of the municipal code).
4. Follow up with the Main Street Program on how they can assist in moving Cannelton forward.
5. Meet collectively or individually with the owners to discuss the challenges they are experiencing in renovating/restoring their property. Include City and Board members from Renew Cannelton in the dialogue.
