HONORED CITIZEN

Cannelton lost one of its most beloved citizens earlier this month. Emory Yaggi was a former city councilman and business owner who worked tirelessly throughout his life for the betterment of Cannelton and its citizens.

HOURS CHANGED

MARK YOUR CALENDARS!

It's not too early to start thinking about renting a booth for the annual Cannelton Heritage Festival, sponsored by Renew Cannelton, Inc. This year's festival will be held Saturday, Oct. 14, 2023 between 9:00 am and 4:00 pm in Historic Downtown Cannelton, IN. The Cannelton Heritage Festival is an arts & crafts festival featuring artisans selling their hand-crafted merchandise. We are accepting vendor applications at renewcannelton.org. Booth rental fees are \$15.00 per booth for non-profits, \$25.00 for vendors and \$50.00 for food trucks.

JOIN US

We are always looking for dedicated volunteers willing to assist in preserving the older, historic structures that set Cannelton apart from other communities. Join us by visiting renewcannelton.org.

AMERICAN INSTITUTE OF ARCHITECTS RECOMMENDATIONS

Cannelton must do more to deliver traffic to future businesses. For a rural community, there is already a substantial regional vehicle traffic, but very little of that reaches downtown Cannelton. Likewise, downtown foot traffic is more limited than might be expected given the amount of housing in, near, and within walking distance of downtown. More traffic attracts new businesses and new businesses create more traffic. Commercial uses rely on foot or vehicle traffic to bring in customers. Tell City, with somewhat weaker road connections than Cannelton (being further from the Bob Cummings Bridge), receives about 20% more vehicle traffic than Cannelton. Route 66 by Walmart, a strong anchor which draws traffic in all directions, has about 60% more traffic than Cannelton.
