## New Park Construction Underway

Cleanup has begun on the Can-Clay property situated on First Street between Adams and Washington Streets. The site will be home to a new city park for all citizens to enjoy.

## Time to Deck the Halls!

Any Cannelton residence, business or church is eligible to enter the contest. Cash prizes will be given to 1<sup>st</sup>, 2<sup>nd</sup>, & 3<sup>rd</sup> places in both residential & non-residential categories.

For more information or to enter go to [renewcannelton.org](http://renewcannelton.org) and complete an entry form.

## Floodwall Project Progress

We are working hard to get the first waterproof coating on the floodwall in preparation for the painted mural. The material is temperature sensitive so working days are limited as the weather turns cold. To those concerned about the removal of the flood level markings, the markings will be incorporated in the new mural in a more attractive design.
